

6th European Conference on Chemistry for Life Sciences

EuCheMS
European Chemical Sciences
Division of Chemistry in Life Sciences

10-12 June 2015

Lisbon, Portugal

Protein School, 9th June 2015, Campus FCT
"Identification of Novel Target in Medicine and Biology -
Applied Techniques"

Abstract Submission Deadline: 15 March 2015
<http://6eccls.eventos.chemistry.pt/>

NATIONAL ORGANIZING BOARD

Sofia Pauleta, UCIBIO, NOVA

Chairperson

Teresa Casimiro, LAQV, NOVA

Pedro Góis, FF, UL

Maria Manuel Marques, LAQV, NOVA

Teresa Santos Silva, UCIBIO, NOVA

Cristina Silva Pereira, ITQB, NOVA

INTERNATIONAL COMMITTEE

Nick Westwood, St. Andrews, UK

Co-Chairperson

Ernest Giralt, Barcelona, Spain

José Moura, Lisbon, Portugal

Andr s Perczel, Budapest, Hungary

Roland Sigel, Zurich, Switzerland

MAIN CONFERENCE TOPICS FOR POSTERS AND SESSIONS

- Intrinsically disordered proteins
- Nanobiotechnology and applications
- Metabolomics
- Drug-design and nanomedicine
- Membrane proteins and receptors
- Imaging
- Carbohydrates and applications
- Nucleic Acids - folding, structure and functions
- Chemical modification of proteins
- Biomaterials
- *In silico* and molecular modeling

Invited Speakers

Peter Tompa, Belgium

Cec lia Roque, Portugal

Eva T th, France

Stuart Conway, UK

Claney Pereira, Germany

Ernest Giralt, Spain

Claudia H bartner, Germany

Andrea Mattevi, Italy

Session co-chaired with **European
Federation
for Medicinal Chemistry**

Abstract Submission Deadline for ORAL: 15 March 2015
<http://6eccls.eventos.chemistry.pt/>
